**REPLY TO "NOTICE OF INFORMAL APPLICATION"**

Sir:

A Notice of Informal Application, a copy of which accompanies this Reply, was received by the undersigned attorney of record in this application. Although the Notice of Informal Application alleges a mailed date of 6/23/2004, such Notice was not received until 10/9/04 as part of an Office Action dated 10/6/04.

The Notice of Informal Application states "Proof of authority of the legal representative under 37 CFR 1.44" is required and should be submitted. The requirement is not completely understood and its withdrawal is requested, for the following reasons:

- (1) 37 CFR 1.44 was removed and reserved on 9/8/2000, and presently does not exist.
- (2) A legal representative (presumably for the deceased first-named applicant Ira J. Simon) is not involved in this application. This application is a continuation of Application Serial No. 09/917,019, and a copy of the fully executed Oath (Declaration) in the parent application was filed in the present continuation

**CERTIFICATE OF MAILING**

I hereby certify that this correspondence is being deposited with the United States Postal Service on this date October 14, 2004 as first class mail, postage prepaid, in an envelope addressed to: Mail Stop Missing Parts, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450

application. A newly executed Oath was not required (or filed) in the present application, as permitted and in complete accordance with 37 CFR §1.63(d), so that a legal representative is not involved in the present application.

It may be further noted that the assignee of the entire interest in the parent application has intervened in that application and in the present continuation application. A Statement Under 37 CFR 3.73(b) was filed in the parent application, and a copy of such Statement was filed in the present continuation application, and the Power of Attorney in the present application was executed on behalf of the assignee of the entire interest Triangle Brass Manufacturing Company, Inc.

It is respectfully requested that the Office withdraw the "Notice of Informal Application", or that the requirement be clarified so that compliance may be implemented.

Respectfully submitted,

Date: October 14, 2004
